

PRIORITY

1 Early and intentionally targeted interventions to reduce off-track students in the 9th grade.

9th Grade On Track

METRIC OF FOCUS

KEY ACTIONS & MILESTONES

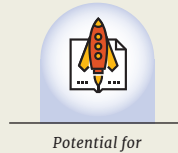

- Define, normalize, and regularly measure 9th grade on track.
- Conduct middle school to high school bridge meetings with/for educator teams.
- Strong Start bridge program for students.
- Develop a tiered intervention plan for 9th grade aligned to early warning indicators (Class of 2026 — plan to begin fall 2022).

INDICATORS OF PROGRESS

- End-of-course (EOC) Data (English I and Algebra I EOC outcomes are improved from prior cohorts)
- Decrease in off track students based on new definition
- Increase in awareness and socialization of the definition of on vs. off track metrics

PRIORITY

2 Increase conversion of students that showcase potential to successfully complete at least one advanced course.

Potential for Advanced Coursework

METRIC OF FOCUS

KEY ACTIONS & MILESTONES

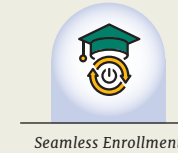

- Define, normalize, and regularly measure potential for advanced coursework.
- Outline and implement engagement strategies for identified students and their families.
- Implement awareness training for staff re: importance and impact of students' participation in advanced coursework.

INDICATORS OF PROGRESS

- Increase in conversion of students
- Increase in family awareness and engagement in the process
- Gap closing in identification and participation across student populations

PRIORITY

3 Understand college intention and matriculation data for future action and intervention planning.

Seamless Enrollment

METRIC OF FOCUS

KEY ACTIONS & MILESTONES

- Input and analyze National Student Clearinghouse (NSC) Student Tracker data.
- Engage teachers through the study of their sentiment on college and career alignment within their role.
- Implement accountability and consistency training for staff on skinny block curriculum and Next Guide usage.
- Implement senior exit surveys.

INDICATORS OF PROGRESS

- Increase use of NSC Data
- Build awareness of student exit plans
- Improve teacher sentiment of their role in college and career readiness for students
