

# Denver

**NEW SKILLS**  
READY NETWORK

## THE PRIORITIES

- Increase racial, gender, and economic diversity in high-quality career pathways
- Align work-based learning opportunities for students to their career interests
- Provide early and equitable access to quality advising to support students in understanding their career pathway options

## THE TEAM

The Attainment Network  
Denver Public Schools  
Colorado Department of Education  
Colorado Department of Higher Education  
Colorado Community College System

Emily Griffith Technical College  
Metropolitan State University of Denver  
Community College of Denver  
University of Colorado Denver  
Colorado Workforce Development Center

## THE BIG BETS FOR YEAR FOUR (April 2023 – April 2024)

- Increase avenues for students to earn and stack credit based on certifications and skills they have already attained.
- Begin to build a shared and aligned databank of career awareness resources and tools for student-facing counselors and advisors across New Skills Ready Network partners to improve communication with students and families.
- Launch a new communications strategy for career-connected pathways designed to support enrollment and completion of diverse learners.
- Develop a learner engagement strategy focused on aligned advising and learner support along career-connect pathways.
