THE BIG BETS FOR YEAR FIVE (April 2024 – April 2025)

- Leverage seamless and holistic advising practices across secondary and postsecondary to help students succeed in the career pathway of their choice.
- Design and implement high-quality MyCAP experiences in grades 7-12 so that students participate in at least one MyCAP scope and sequence experience annually by June 2024.
- Implement dual enrollment experiences in SY 24-25 that can build towards early college pathways.
- Increase high quality work-based learning experiences in secondary and postsecondary, measure progress on student participation with disaggregation for demographics and BPS graduates (at postsecondary level), support increased employer engagement along the education continuum.
- Advance the enactment and implementation of new city and state level policies that maximize equitable student degree completion and career outcomes through cross-sector efforts.

SUSTAINABILITY ACTIONS

Implemented: The partners have recommitted to a vision and north star goal for New Skills Boston.

Implemented: EdVestors will continue serving as intermediary to ensure key pathway initiatives continue uninterrupted.

To Do: Partners are collectively outlining activities that will be taken to achieve New Skills Boston goals going forward.
